

Enlightened

A painting by Kendra Burton

This painting exemplifies one's search for light and knowledge. There is a double entendre, or dual meaning, portrayed by the title "Enlightened". First, the light is coming from the sun, or symbolically, the Son, both giving life. Secondly, the book reflects light onto the face of the reader as she receives spiritual insights in her search for truth and knowledge. A favorite scripture of mine says:

“That which is of God is light; and he that receiveth light, and continueth in God receiveth more light; and that light groweth brighter and brighter until the perfect day.”
